

Vietnam Symposium in Supply Chain Management

21-22 October 2024

Thuongmai University, Hanoi, Vietnam

<https://vsscm2024.sciencesconf.org>

Online + Onsite

The third edition of the Vietnam Symposium in Supply Chain Management (VSSCM-2024) will take place on 21-22 October 2024 in Hanoi, Vietnam. This Symposium is jointly organized by [AVSE Global](#) and [Thuongmai University](#) (Vietnam), in collaboration with [EMLV Business School](#) (France), and [University of Paris Pantheon Assas](#) (France).

The VSSCM-2024 provides a platform for academics, practitioners, researchers, and policymakers from various fields to exchange knowledge and discuss evolutions of all aspects of management related to production and operations management, industry 4.0, big data, logistics, supply chain management, strategy, innovation, technology, and organizations. It also aims at promoting collaborative research initiatives and experiences between Vietnamese experts and their foreign colleagues within both Vietnamese and international contexts. Participants will find an excellent opportunity to present new research, exchange information, and discuss current issues in supply chain management.
